Call for Summer Choir Singers

Interested singers are invited to join the Summer Choir, which rehearses on **Sundays at 9:30 a.m.** in the choir room. There is no weekday rehearsal. The Summer Choir will run through the months of June (beginning June 9), July and September. No experience is necessary, though it is hoped that you are able to match pitch (as when a note is played on the piano).

Please let Bob Moncrief know ahead of time, so that we have a music notebook prepared for you. Welcome to new singers!

A water dispenser is now located in the south narthex.

Rector's Fund Today all of the loose offering in the collection plate will be added to the **Rector's Discretionary Fund**. This fund is available to help those in our community or parish that need financial assistance with utility bills.

Your donations are gratefully accepted any time. Please indicate *Rector's Fund* on your contribution envelope and the amount will be added to your charitable giving statement. Thank you for your support of this ministry.

Good Shepherd Readies for Hurricane Season

In September 2017 the Church of the Good Shepherd was visited by Hurricane Irma. We were very fortunate that this was a relatively low category hurricane and the parish experienced only minor damage and inconvenience. Thanks to careful planning the impact of Hurricane Irma was minimal. In June hurricane season will

begin again and run through the end of November, and Good Shepherd is prepared in case we are hit by another storm. The parish has an Emergency Plan to cover a wide variety of emergencies and disasters and is available in the church office for your reading. We also have an Emergency Management Team that is ready to step into action if needed.

The Emergency Management Team encourages you to have a plan for your safety should we have a storm this hurricane season. This includes the stockpiling of supplies for your family and a plan for evacuation if implemented by the county. It is very important that you are prepared and that you follow all directives by county officials. The Church of Good Shepherd has a Disaster Support Network. If you have not filled out your Hurricane Information Sheet please pick one up at any worship service, complete it and return it to Jan Cote or Michelle Schombs. This form will give us information to keep in touch before and after a storm in our area. We also want parishioners to know that we have an ice machine and all effort will be made to bag ice prior to a storm and after a storm if power and water are available. The parish has two generators which can be used to power the ice machine and other small electronics.

If you need further information please contact Pat Cates (770.605.0679) cpatcates@gmail.com or Michelle Schombs (727.638.3560) or m19ma50@verizon.net
