## Bishop's Visit

The Rt. Rev. Dabney Smith will be here this Sunday for a visit. Please plan to join us for a wonderful service of Confirmation, Reception, and Reaffirmation.

We wrapped up our Stewardship Campaign on All Saints Sunday with great joy, thankfulness, and fanfare. We would like to thank all of you that sent your pledges in already, and for those of you that have not, please know that it is not too late to make a pledge for 2023. Your gifts of Time, Talent, and Treasure matter.

There are many ways to Give to the Church and fulfill your Pledge. You can:

- **send or bring cash, check or money order to the church.**
- **set up auto withdrawal here:**  
**<https://onrealm.org/churchgoodshepherd/give/now>**
- **use your Banks bill pay program (where applicable) to have funds sent directly to the church.**

Did you know you can also make contributions from your IRA? People aged 70.5 and older can make gifts directly to a qualified charitable recipient. The amount you give counts toward your required minimum distribution (RMD), potentially lowering your taxes. It is easy to do. You simply notify your IRA custodian to send your distribution to the Church of the Good Shepherd. You can also make the Church of the Good Shepherd a beneficiary on your IRA.

If you have any questions about ways to pledge or give, please contact the office.

We give thanks for all that God has given us by giving back to God.

For more information about giving or to make a pledge, please visit our website.

## Ways To Help With Hurricane Relief

**Donate Directly to the Diocese for Hurricane Relief:** The Bishop has relayed that there are at least 24 churches in our diocese that are devastated, heavily damaged, or inaccessible. He said the best way to help right now is to give to the Diocesan Hurricane Relief directly which will allow the diocese to address needs for both churches and individuals as soon as they arise.

**Give to Episcopal Relief and Development:** Episcopal Relief and Development always does good work and is a trustworthy source. They are also at work in Hurricane Devastated areas.
