Ways To Help With Hurricane Relief

Donate Directly to the Diocese for Hurricane Relief: The Bishop has relayed that there are at least 24 churches in our diocese that are devastated, heavily damaged, or inaccessible. He said the best way to help right now is to give to the Diocesan Hurricane Relief directly which will allow the diocese to address needs for both churches and individuals as soon as they arise.

Give to Episcopal Relief and Development: Episcopal Relief and Development always does good work and is a trustworthy source. They are also

at work in Hurricane Devastated areas.
