Financial Information!

Charitable donations made directly from a traditional IRA can save taxes. People 70½ and older can transfer up to \$100,000 yearly from IRAs directly to charity. Qualified charitable distributions [QCDs] can count as required minimum distributions, but they are not taxable and they are not added to your adjusted gross income.

Here’s a tip: The money must go directly to a charitable organization. Transfers to a donor-advised fund, charitable gift annuity, charitable remainder trust and any other life-income or split-interest gift arrangement aren’t treated as QCDs.

Planning for the Fall Festival...

The Fall Festival/pumpkin patch committee is meeting on **August 22, 2019 at 5:30 p.m.** For those that are interested in joining the committee, new members are certainly welcome! This committee organizes an annual Fall Festival and/or pumpkin patch depending on the supply of pumpkins for the season. We also look forward to seeing the crew from last year!
