Update on the Search for a New Rector

As we move forward with the process of calling a new Rector to Good Shepherd, the first step is to complete a Self-Study Survey.

This survey will be used to gather data to be used to develop our Parish Profile.

We need your input on what is important to you as well as ideas about how together we can nurture our growth in Christ and deepen our relationship with God. The avenues which the self-study will be administered is through a survey monkey link via an email to you through constant contact or a hard copy sent to you.

Your responses will help to identify who is called to be the next Rector at Good Shepherd. Thereafter, the Parish Profile can be completed to be published and the Rector position posted to receive applicants. The Profile will describe Good Shepherd's history, mission, goals, hopes and dreams. It will also describe the qualities our congregation seeks in our next Rector.

We look forward to your input and will provide a summary of the results. Please complete the survey by July 31, 2020. Responses are anonymous.
